## REPORT OF BUDGET COMMITTEE

The Gorham Budget Committee held open meetings January 16, 23, 30, and February 6th for receiving budget requests from the various departments and interested persons, and a closed meeting on February 13, 1967 to make their final recommendations.

Two special items brought in by petition were:

1. Requesting an appropriation of \$2,500.00 for Christmas Decorations.
2. Requesting an appropriation of \$2,000.00 for Traffic-Safety Control and Tourist Information and Accommodation at the Glen Street and Lancaster Road Intersections of Routes #2 and No. #16.

The budget committee recommends that no money be appropriated for these purposes.

The Water and Sewer Department presented a special request for an appropriation of \$3,500.00 for extending the 6" Bangor Water Line.

The budget committee recommends that \$3,500.00 be appropriated for this purpose.

The Selectmen requested an appropriation of \$15,000.00 for the purchase of a New Dump Truck and Plow.

The Budget committee recommends that \$15,000.00 be appropriated for the New Truck, the money to be raised by Short Term Notes to be repaid for a term not to exceed three years.

The Selectmen also requested a \$300.00 appropriation for Community Health to be used for contractual service with the North Country Community Services, Inc. (Mental Health), this to be in addition to the \$2,000.00 appropriation request for similar service made by the School District.

The budget committee recommends that these requests be approved.

The Fire Wards brought in three special requests for appropriations concerning fire coverage for the Cascade area after termination of the agreement with the City of Berlin on July 1, 1967.

1. Request an appropriation of \$8,178.00 for a new Fire Station building at Cascade to be located on Brown Company land near the Cascade Time office for a \$1.00 a year rental, heat to be furnished by Brown Company.
2. Request an appropriation of \$27,750.00 for a new Fire Truck to be stationed at Cascade.

3. Request an appropriation of \$4,700.00 for equipment (including hose) for the new Fire Truck for Cascade.

The budget committee recommends that these requests be approved, the cost of the Fire Truck not to exceed \$28,000.00 and the money for the purchase of the Fire Truck to be raised by Short Term notes not to exceed a period of five years.

The Gorham School Board requested a total of \$461,753.40 for the 1967-1968 year. The budget committee recommends that the \$4,000.00 item for an Activity Fund be deducted from this request, and the balance be appropriated as requested.

The School Board also brought in a special request for the current operating year (1966-1967) for \$4,366.74 to be used under Public Law 89-10, Title 1, the project to include:

1. Specialized instruction this summer for pupils qualifying under the Title.
2. A contractual service with the North Country Mental Health Service. (Mentioned above in connection with Community Health appropriation request made by the Selectmen).
3. Supplies and equipment to carry through the instructional classes.

The School District would be reimbursed through Federal Aid funds for this item subject to the appropriation being approved by the Budget Committee and by the District at the annual school meeting, when appropriate article is contained in School Warrant.

The budget committee recommends that this appropriation be approved.

The Budget Committee wishes to thank the various departments, committees and boards for their clear and comprehensive presentation of their proposed budgets.

Chapter 15, Laws of 1959 amends RSA 76 by inserting after section 11 for the following new section: 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate for municipal, school and county taxes separately. Any town, through its selectmen, may request that the tax commission compute the rates which will appear on the tax bills as provided hereunder and upon said request the tax commission shall furnish the required information.

A combined or total rate is shown above for those towns with a single school district and with no precincts or village districts. ## Report of Tourist Information Booth

To the Town of Gorham, N.H.

We hereby submit our report of the Gorham Information Booth for the summer months of 1966. The Booth was open weekends of June 11-12, 18-19, and daily from June 25th through September 5th (Labor Day), and thereafter on the fall weekends of September 10-11; 17-18; 24-25; October 1-2, and October 8 through 12, 1966. Hours from June 11th to September 5th, were 8:30 a.m. to 8:30 p.m., and during the fall weekends, 9:00 a.m. to 4:30 p.m.

The Booth was moved from its location near the Gorham Savings Bank to a position on Gorham Memorial Park about midway of the Park's Main Street frontage, which proved beneficial particularly from the viewpoint of better parking facilities for tourists seeking information.

This was a very busy season at the Booth as requests for information were more than double those received in 1965. This year 12,164 cars stopped at the Booth as compared to 5,433 in 1965. Total people served was 38,710, being 21,635 more than the 17,075 served in 1965. Again all fifty States and ten Canadian provinces were represented as well as nineteen other foreign countries. # Report of Gorham District Nursing Association

To the Inhabitants of the Town of Gorham:

The work of the Gorham District Nurse Association has been carried on with Mrs. Dorothy Johnson, R.N. serving as nurse.

In order to qualify for participation in the Medicare program it is necessary to offer some service other than nursing. Mrs. Henrietta White, Reg. Physio-therapist was engaged on a parttime basis to provide this service. It is our hope to receive accreditation in 1967.

**STATE OF NEW HAMPSHIRE  
DEPARTMENT OF HEALTH AND WELFARE  
DIVISION OF PUBLIC HEALTH  
61 South Spring Street  
Concord**

December 29, 1966

Mr. Albert R. Wilson  
Town Clerk  
Gorham, N.H.

To the Citizens of the Town of Gorham:

During 1966, 58 visits were made in the community, and they are classified as follows:

Administration and Promotion	15	Mental Health	9
Cardiac	6	Mental Retardation	2
Crippled Children's Services	15	School	10
Health Supervision	2		

Four children have regularly attended the Crippled Children's Clinics, and one child is seen at the Pediatric Cardiology Clinic.

One hundred ninety-eight preschool children were immunized for Measles in the Spring.

Heaf testing program for the detection of tuberculosis, was carried out on 29 children participating in the Headstart Program.

There is a crucial need at this time, for communities to develop an over-all plan that will insure continuity of nursing service from the hospital to the home, or from the home to the hospital.

Nursing is one of the essential services in any community health plan or program.

The citizens in any community or area, have a direct responsibility, therefore, to make sure that needed continued nursing care is provided for men, women and children as they move to any place where care may be given.

Each community needs to develop or improve a community centered or area centered plan, which will enable its citizens to have better and more complete nursing care available to them and their families when needed.

How many of your citizens who should be receiving benefits from the Medicare Program are unable to do so because you, do not have a community centered or area centered plan to meet their needs?

Now, is the time for action by all citizens of your community.

It is always a pleasure to serve the Citizens of Gorham, and I extend my gratitude to them for their cooperation during the past year.

Respectfully submitted,

ELEANOR D. KENNEY, R. N.

## Report of Recreation Commission

---

To the Inhabitants of the Town of Gorham:

The Recreation Commission, a five-man board appointed by the Selectmen, is in its seventeenth year of operation. The Gorham Recreation Dept. is now in its tenth year-round recreation program. The 1966 attendance records show an increase in the number of people who have found varied and attractive activities in the Dept. program. The great majority of the participants in the program have shown their appreciation for opportunities they have had in this respect through continued participation, and through letters and remarks directed to the Recreation Department during the year.

Again this year, we have endeavored to fulfill any requests made of us within the limitations of our abilities and budget appropriations. Through the cooperation and continued interest of the various individuals, organizations and departments who have helped, by working together for the common good and the improvement of our leisure time opportunities, it has been possible to submit this report of our progress during the past year. We solicit your continued help and cooperation through the years to come. Our most sincere thanks to one and all.

The Libby Memorial Swimming Pool was open for a period of eleven weeks and two days from 10:00 a.m. to 8:00 p.m. daily for general swimming. Swimming lessons were from 9:00 a.m. to 12:00 noon Monday through Thursday and from 10:00 a.m. to 12:00 noon Friday and Saturdays. An Adult class was held daily starting at 2:00 p.m. Five Life Guards and a Maint. Man were employed. Red Cross swimming instructions were offered to the following classes: Beginners, Adv. Beginners, Intermediates, Swimmers, Adv. Swimmers, Junior and Senior Life Saving and Survival Swimming. Senior Life Saving tests were also conducted for personnel employed in areas other than Libby Memorial Pool.

At the beginning of the season 204 registered for swimming lessons but due to vacations and inclement weather, some parents found it necessary to withdraw their children from the program before the final tests were given. These children were not recorded as failing the course but as dropping out.

## A Bit of History

A hundred and thirty years ago, Gorham was organized as a town and the first town meeting was held July 19, 1836 A.D.

We are printing a copy of the Clerk's Report on action taken at this First Town Meeting of Gorham, N.H. on July 19, 1836 A.D. It is interesting to compare this simple report with the report of the Town Meeting of March 8, 1966 which including a report on votes and a summary of budget appropriations, ran to twenty-three type-written pages.

In 1836 they appropriated a sum of \$25.00 for support of schools—in 1966 the total school budget was \$416,079.92 and after provision for expected income, the sum of \$331,312.61 was raised by taxation.

In 1836 they appropriated \$100.00 for Highway taxes. Our 1966 Town Budget was \$245,053.00 and after credits for expected revenues and cash on hand, and addition of overlay, the sum of \$168,283.16 was raised by taxation. In 1966 we also paid a county tax of \$41,814.39.

In 1836 twenty-six males were assessed on polls, and of these twenty-three owned either land, buildings, horses (4 years old and upward), Oxen (4 years old and upward), cows (4 years old and upward), neatstock (2 years old), or sheep. In 1966 there were 1461 names on the head tax warrant, which, of course, now includes the females. The property tax list ran between 900 and 1000, including non-resident owners and corporations as well as individuals.

On the 21st day of February, 1837, there were twenty-nine registered male voters. Total registered voters (including the ladies) March 8, 1966 was 1819.

The footing on the resident inventory in 1836 was \$76.32 and it was on this footing that the assessments for money appropriated were made. The method of assessment was handled differently in those days than they are now. This footing was arrived at by taking .005% of the total assessed to each taxpayer and adding a "poll" of \$1.50. The school tax was assessed at 33% of the footing of inventory and the highway taxes at 134%. These assessments were made where polls only were involved so these people paid \$2.51 in taxes in 1836 (49c for schools and \$2.02 for highways). Actual warrants were for \$25.16 on school tax and \$102.50 on highway tax.

Oh Well—The Good Old Days!
